

Cliff Notes

The official newsletter of The Joggins Fossil Institute

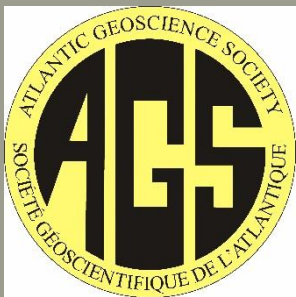

Winter 2017

IN THIS ISSUE

- ArtScape
- Events at JFI
- Tribute to Don Reid ONS (1922-2016)
- Resident passes

NOTEWORTHY

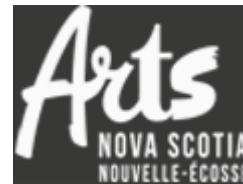

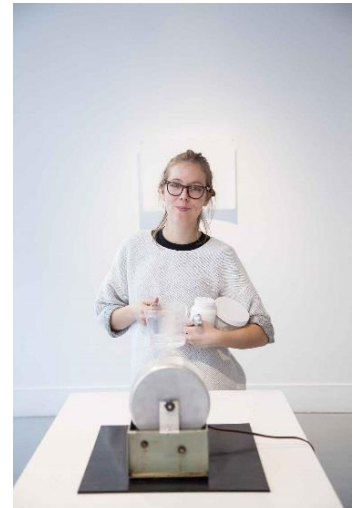

JFI Curator, Dr. Melissa Grey, attended, presented, and organized a special session on museum paleontology and geology collections at this year's Atlantic Geoscience Society's Annual Colloquium in Fredericton. The session was in honour of Joggins resident, Mr. Don Reid ONS.

ArtScape: JFI's Artist-in-Residence

ArtScape: a new artist-in-residence program at the Joggins Fossil Institute has its first artist! Sophie Jaillet of Montreal will be at the centre, creating and interacting, from **July 31 – September 8, 2017!**

This program is made possible with funding from the Municipality of Cumberland County and ArtsNS. Thank you!

Events at the Joggins Fossil Institute

- **Heritage Day** (Feb 20) celebrating Mi'kmaq culture with Emile Gautreau and Louise Goodwin.

- **March Break Children's Day Camps** (March 14, 15, 16)

- **Earth Day and Centre opens for the season** (April 22)

In memory of the Keeper of the Cliffs, Don Reid ONS (1922-2016)

The Joggins Fossil Institute mourns the loss of the original Keeper of the Cliffs, Mr. Don Reid ONS, whose collection of fossils forms the foundation of the collection housed here. Don collected fossils and visited the Centre frequently throughout the past eight years. His presence, insights, and that glint in his eyes when he found something cool will be greatly missed by all of us at the Institute. His legacy lives on whenever anyone studies and appreciates his fossil finds.

Don with his Order of Nova Scotia award (2016)

Resident Passes

If you reside along a River Hebert Schools bus route you are eligible for a resident pass. Benefits of the pass include:

- **free admission to the Joggins Fossil Centre;**
- **a 5% discount on admission fees for accompanying visitors;** and
- **a 5% discount on purchases from the gift shop & café, special events, and guided tours** (as directed by the institute)

The resident pass must be presented at the front desk in order to receive all discounts and promotional offers.

To obtain or to renew your resident pass please contact Laurie at 902-251-2727 ext 224 or education@jogginsfossilcliffs.net
